# Streamlined Success: Chemploy's Journey with Klynke

At Chemploy, accurate time tracking, and efficient project management are crucial for providing clients with outstanding services - promptly, with high quality, on time, and within budget.

Ben Bovendeerd, Director at Chemploy, emphasized, **“Klynke stands out for its intuitive user interface and seamless integration with the Office 365 suite.”**

He further explained, **“We implemented Klynke within a week. In about three months (three full invoice cycles), it became fully embedded into our**

**workflows-from registration to invoicing. By December 2023, we achieved almost 100% accuracy on the first attempt, surpassing our internal goal. We're very pleased with the improvements since April/May 2023”.**

At Klynke, we take pride in our role in enhancing Chemploy's operational efficiency and streamlined success.

# Klynke, Chemploy, and Microsoft 365

## — Partner Solutions

“Klynke’s key strengths lies in its seamless integration of project details directly from Microsoft Teams/SharePoint into the hour-logging process,” highlights Ben Bovendeerd. “This eliminates the need for a separate registration system, significantly simplifying and streamlining our workflow”.

## — Customer Challenges

Chemploy’s challenges were directly linked to issues related to accuracy and completeness of records, leading to time consumption. Their criteria for the desired solution were a user-friendly, effective solution, and preferably integrating with software like Office-365.

## — Customer Benefits

Customers can now save time and benefit from the seamless integration of Klynke with their Microsoft 365 subscription. The solution enhances business process efficiency, as emphasized by Ben Bovendeerd, who describes Klynke as **“user-friendly, straightforward, easy to use, and easy to set up. It also offers proper exporting for seamless integration into our invoicing procedure.”**
